PROFESSIONAL SUMMARY

Experienced Front End Web Developer with 3+ years expertise in HTML, CSS, JavaScript, Typescript, Express and React. Skilled in crafting visually appealing, user-friendly interfaces and collaborating with teams to deliver projects on time and exceed client expectations. Eager about staying updated on emerging technologies

EXPERIENCE

Software Engineer Instructor Assistant, Brainstation

JAN 2024 - PRESENT

- Facilitated a dynamic and inclusive learning atmosphere through interactive coding exercises, workshops, and lectures, aimed at reinforcing core web development principles, frameworks, and technologies.
- Provided tailored guidance and support during lab sessions, adeptly addressing student inquiries, debugging code, and furnishing constructive feedback to bolster coding aptitude.
- Oversaw and mentored a cohort exceeding 30 students, ensuring their academic progress and fostering a supportive learning community.

Frontend Web Developer, Yapstone

JUN 2022 - DEC 2023

- Collaborated with cross-functional teams to ensure the seamless integration of client requirements into intuitive and scalable frontend solutions, supporting YapStone's commitment to providing efficient payment processing services.
- Contributed to the development of mobile and online payment solutions for property managers, leveraging expertise in HTML, SCSS, TypeScript, and React.
- Contributed to the development of visually appealing and user-friendly interfaces, enhancing the overall customer experience and driving client satisfaction with YapStone's payment processing solutions.

Frontend Developer, Hubtel

MAY 2016 - AUG 2019

- Supported the development and optimization of frontend components, elevating user experience and interface functionality across Hubtel's platform.
- Collaborated cross-functionally to implement new features, enhancing the platform's capabilities and responsiveness to user needs.
- Ensured seamless compatibility across devices and browsers by designing and implementing responsive web interfaces for Hubtel's diverse range of services.
